

April 6, 2020

Good afternoon,

I wanted to take a moment to communicate important information regarding opportunities to engage this upcoming week. If you have any questions or you simply want to give me an update how you are doing, please feel free to send me an e-mail at: neil.breneman@gmail.com

Video Messages

The plan this week is to have video messages at least Tuesday, Wednesday, and Thursday. When there are video messages, there will also be a short summary message that is delivered on the phone prayer chain.

Wednesday Evening Prayer Connection

We are going to connect for prayer this Wednesday evening (4/9) at 7:00pm via Zoom! If you are not familiar, Zoom is a video "conference" held online with your computer or even your phone. A computer or smart phone is needed for video but you can even join with a regular telephone by calling a number. Our youth has been using Zoom for months and now more adults are using it as well! Yes, it is awkward when you first begin using it but it gets better as you become more familiar!

Do you feel like you need some encouragement and would like to spend time praying for one another (no one will be forced to pray)? JOIN US! You may not be a regular participant in prayer connection...that's okay! Join us anyway!

E-mail: lewistowncma@comcast.net for connection information.

C&MA Holy Week Services

Great opportunities to join a prayer webinar on Thursday and a special live stream on Friday. Be sure to check this out and join in! <https://www.cmalliance.org/news/2020/04/01/holy-week-services-youre-invited/?ref=homepage-pos2>

Easter Sunday

Our special celebration service will be right in your home which will have worship led by members of our worship team, encouragement, and a message from God's Word to challenge you. Watch for the details to be released toward the end of this week on how to access the service on Sunday at 10:45am.

DVD Videos

Are you feeling overwhelmed by all the technology or feeling left out? Are you unable to play videos online? If you are able to play a DVD video on your TV we have something for you! We will provide you with a DVD of the past daily video messages that have been played as well as the Easter service. **We just need you to let us know** so we can get the DVD to you! Please call and leave a message at: 717-248-6369 or send an e-mail to: lewistowncma@comcast.net

Let's dig into God's Word this week and study the final week of Jesus' life before his crucifixion and resurrection. This is something we can all do during a period of social distancing!

Blessings,
